Are you a foodie? Do you know about food, as well as love eating it? If the answer's yes, you can apply for the role of 'taste master' in Western Australia. Your job will be to promote the best restaurants, pubs, wineries and breweries. You'll also catch fresh seafood off the beautiful coast and learn all about making wine and beer.

Finally, a fantastic job in Sydney. We've all seen those amazing firework displays in Sydney Harbour. Well, you could be one of the people making that happen next year. New South Wales is looking for a 'chief funster', who will be based in Sydney while travelling around the state and tweeting about the coolest things going on. This job will appeal to someone interested in everything: sports, the arts, entertainment, food. You'll also be involved in making the Sydney Festival, Mardi Gras and Vivid Festival as spectacular, and as fun, as possible.
