

## BEN SOUTHALL - SCRIPT OF HIS VIDEO RESUME

Hi I'm Ben or otherwise known as the adventurous, crazy, energetic one and, there's only 55 seconds left to tell you, why!!!!!!

I love discovering new places. Last year I drove all around Africa : I crossed deserts, climbed mountains, ran marathons, bungee jumped, mountain biked, scuba dived and snorkeled everywhere because .... I'm practically a fish, myself!

As for trying new things how about riding an ostrich? What can I say? Animals love me and I love them too, especially if they're rare, or okay maybe not that rare!

I'm a great communicator, I love meeting people and immersing myself in other cultures. I've written newspaper and magazine articles, given tv and radio interviews and kept a journal and video blog on my website to share my experiences with others. And I'd love to do the same for you.

We can learn about the hundred miles of the magic Great Barrier Reef together and all that Queensland has to offer.

I'm an experienced events manager, charity fundraiser and tour guide. I've a Bachelor of Science degree and a keen interest in photography! So I'm your man!

If it's the best job in the world then I'm off to the best place in the world!
