

TOO BAD FOR YOU!

CHORUS

You **must** do what I tell you
You **must** be quiet
You **must** be honest
You **mustn't** do as it pleases you
You **must** obey to what I say

But, but, **what are you doing ?**
I'm singing !
So, you didn't do what I told you
You must be punished, too bad for you

CHORUS

But, but, **what are you doing ?**
I'm dancing !
So, you didn't do what I told you
You must be punished, too bad for you

CHORUS

But, but, **what are you doing ?**
I'm playing !
So, you didn't do what I told you
You must be punished, too bad for you

CHORUS

But, but, **what are you doing ?**
I'm running !
So, you didn't do what I told you
You must be punished, too bad for you

TOO BAD FOR YOU!

CHORUS

You **must** do what I tell you
You **must** be quiet
You **must** be honest
You **mustn't** do as it pleases you
You **must** obey to what I say

But, but, **what are you doing ?**

So, you didn't do what I told you
You must be punished, too bad for you

You must be punished, too bad for you
